

Outdoor Educators Institute

FRESNO COHORT 2020

We are so excited to be offering the Outdoor Educators Institute (OEI) training program in Fresno! Thank you for taking the time to apply to our first Fresno cohort. Please be thorough and thoughtful in your answers—applications will be considered based on the thoughtfulness of the responses. Please be sure to complete all questions.

Due to its **FREE** of cost philosophy, space is limited to 10 participants for the Fresno cohort. Please note the application deadlines below.

Priority Deadline: **March 27, 2020**. OEI staff will review all applications submitted by this date and qualified candidates will be contacted for an interview. Initial selection will be notified **April 17, 2020**.

Final application deadline: **April 17, 2020**
Final participant selection will be notified **May 1, 2010**

5. This program runs from May 23 – August 1, 2020. We will meet about three weekends a month for the entirety of the program. Are there any weekends between May 23 - August 1, 2020 that you know you are unavailable for weekend expeditions? (any known conflicts will NOT disqualify you from consideration)

6. Is there anything else you would like to tell us about yourself?

7. We encourage representation of all communities and ability levels in OEI. To best meet this goal, we would like to know, are there any special considerations or accommodations that you may need to fully participate in the physically and emotionally challenging outdoor activities that are central to the OEI program?

Thank you for your application to the Outdoor Educators Institute 2020 Fresno cohort. We look forward to learning about you.
